

SCHOOL REFUSAL WORKSHOP

Is your child refusing to go to school?

Do you feel overwhelmed or unsure of how to support them?

Are you looking for some ideas?

Let us support you!

Join Encircle's Family Support practitioners and Family Therapists in an informal discussion about school refusal and how to support children through this while enjoying a delicious morning tea.

Together we'll chat about the underlying causes of school refusal, explore practical strategies, and learn ways to build confidence and resilience in children.
