

## **Activity Consent Form – Lab Kids – JA & JB**

15 March 2021

Dear Parent/Carer

On Wednesday, 21 April 2021, JA & JB we will be attending an incursion called 'Lab Kids' as part of our Science unit.

The aim of the activity is for the children to learn that objects are made of materials that have observable properties. Students will discover how to examine familiar objects using their senses and describe the properties of the materials.

### **Activity Details:**

All children will attend a 35 minute presentation in the hall.

Students will learn about atoms, solids, liquids and gas. They will learn about the different properties of materials such as hardness, strength and absorbency.

Then each class will attend a 45 minute 'Hands on' investigation. During this session, the children will interact with some play based science equipment suitable for prep children.

**Activity Costs:** \$15.00 per child

Kurwongbah State School is a cashless school. Preferred payment method is BPOINT (using the BPOINT link on the invoice emailed to you). Payment can also be made by QParents, EFTPOS or Cheque/Money Order (payable to Kurwongbah State School). **Payment must be made by Thursday, 1 April 2021. No late payments can be accepted.**

### **Refund Guidelines for Activities:**

At Kurwongbah State School we are committed to providing a safe and supportive learning environment for students, staff and volunteers. This commitment includes the health and safety of staff and students when conducting curriculum activities in the school or in other locations.

School excursions and camps enhance a student's learning by providing opportunities for the student to participate in activities, both curriculum-related and recreational, outside the normal school routine. All planned school excursions are approved by the Principal and endorsed by the Parents and Citizens Association.

State schools are able to charge a fee for:

- An educational service including materials and consumables not defined as instruction, administration and facilities for the education of the student;
- An education service purchased from a provider other than the school where the provider charges the school; and
- A specialised educational program.

A school fee is directed to the purpose for which it is charged.

School fees for excursions and camps are calculated on a cost recovery only basis, according to the number of students who have indicated their attendance.

Participation of students in an excursion or camp is indicated through payment of the excursion or camp fee and provision of a permission form completed by the parent/carers.

As the school budget cannot meet any shortfalls in funding for an excursion or camp due to the subsequent non-participation of a student who had previously indicated attendance of the activity, fees already paid for an excursion or school camp may be refunded in full or in part or not at all, having regard to the associated expenses incurred and the circumstances of the non-participation.

If a parent/carers wishes to apply for a refund due to their child's non-participation in an excursion or camp activity, they may do so by completing a Request for Refund form available from the school office. Where possible, the request should include the receipt relating to the payment for which a refund is being sought.

If you wish for your child to participate in this activity, please complete the attached consent form and return to the School Office.

For further information about the activity, please contact your child's teacher.

Yours sincerely
