

Thank you

Dear Parent / Guardian,

Thank you for allowing us to educate your child as part of our First Aid in Schools (FAiS) Program.

The First Aid in Schools program is a flagship community services program for St John Qld which makes real differences to the lives of school children and the wider Queensland community. Having First Aid skills could mean the difference between life and death – even for children.

Growing stronger, together.

In addition to your child receiving some basic education in first aid through our school program, it would be very beneficial if a parent or guardian was also trained.

Use the promo code **FAISFAMILY*** to receive a special price of:

- \$58.65 for a 3-hour CPR course (HLTAID001 Provide cardiopulmonary resuscitation) - normally \$69, **save 15%!**
- \$135.15 for a 1-day & eLearning First Aid course (HLTAID003 Provide first aid) – normally \$159, **save 15%!**

Courses are delivered regularly across the State. Speak with our friendly customer service team to find a time and place that suits you.

We're a registered not-for-profit, so when you choose us for your training, you're not only getting the highest quality products and services, you're also putting funds right back into the community – including things like our free First Aid in Schools program.

Call 1300 785 646, or email: enquiries@stjohnqld.com.au to make your booking.

Donations make a real difference!

Because our FAiS program is offered free, we rely on funds from a variety of sources including donations, grants, sponsorships and revenue from our commercial first aid.

If our First Aid training offer isn't something you want to redeem, please consider making an alternative commitment to our program by making a tax-deductible donation today.

- \$10 will train one child
- \$300 will sponsor a class

Every donation makes a big difference, regardless of the amount. Call 1300 785 646, or make a secure donation on our website: <https://www.stjohnqld.com.au/Donate/FAiS>.

\$10 WILL TRAIN ONE CHILD

Teach a child lifesaving skills with our First Aid In Schools Program.

*This discount can be used once per family member and is not to be used in conjunction with any other promotion or discount.
