Oliver is a normal, happy little boy, until one day he wakes up to find Grumbles in his head....and Grumbles in his bed! The Grumbles dance on Oliver's chest, tug on his ears and cause all sorts of trouble but when they run away with his snuggle blanket, it is the final straw! Will Oliver find a way to tame those terrible Grumbles?

Sidney Nolan is one of Australia's most admired and recognised visual artists. This is the story of how he developed his iconic Ned Kelly series of paintings, brought modernist art to Australia and took Australian art to an admiring international audience.
