

Event Nomination Form KURWONGBAH SS SWIMMING CARNIVAL

To assist with advance planning parents are asked to complete an event nomination form for our carnival to be held November 30, 2021. The information obtained from the nominations will assist us in our planning to determine expected student numbers and the events that are scheduled.

Some key information for 2021:

- ✓ All students will travel to and from the carnival via bus. All bus payments will need to be made by the specified due date for children to be eligible to participate.
- ✓ Students will only participate in 25m, 50m and 100m events. Only the 50m events are used for Age Championship calculations.
- ✓ Parents will be able to attend the carnival as long as Queensland Health guidelines permit.

50m and 100m distances are qualifiers for District Swimming and are only offered for children born in 2012, 2011, 2010 and 2009 (10 – 13 years in 2022). Please note that 25m events may not be possible to be scheduled due to competitor limits – we encourage nomination in 50m events only.

Students swimming in 50m and 100m events will swim under modified Queensland Swimming Association rules. They will not be automatically disqualified for incorrect start/ finish/ turn/ stroke/ kick as would happen at District, Regional and State level competitions but they will be relegated to a place behind any students who have swum correctly. A meeting will be held in the week prior to the carnival to explain rules and “relegation process”. Children with incorrect strokes/ kicks will be ineligible to compete at District Level. **Please note** : If nominations are not returned and parents do not sign the nominations a student cannot participate in a race.
