

Kurwongbah Kids PLAYGROUP

Exploring Dinosaurs/Sea Creatures/Mother's Day

The Kurwongbah Playgroup has a focus on animals this term. We have been exploring through activities, craft, songs and play with different types of animals. Our focus for the last two weeks have been dinosaurs and sea creatures. Have a look at the pictures below that show some of the activities the children have completed.

Last week, we pampered our Mums for Mother's day. The children were massaging their Mum's hands and arms, painting their nails and making their day special with a pretend cup of tea.

We hope all our Playgroup and Kurwongbah Community Mothers had a lovely Mother's Day on Sunday.
