

Kurwongbah Kids PLAYGROUP

Exploring Flying Creatures and Jungle Creatures

Our focus in Week 6 was looking at flying creatures. We were able to enjoy using the Prep Playground after all the wet weather. Whilst exploring flying creatures, Mrs C popped in to share her rhymes, songs and dances. This was a great time to move and use the instruments with our parents/carers.

Jungle Creatures allowed the children to explore their crafty sides. We made lions out of our foot prints and alligators/crocodiles as magnetic pegs for our fridges at home. Lots of giggling and exploring our Sports Hall space, as the activities presented were shared and the large blue high jump mats were out for the Playgroup children to roll, lie and move in a free manner.
