

# Kurwongbah Kids PLAYGROUP

## Helicopter Visit, Sports Day and BOOK WEEK

Two big weeks have gone past in Playgroup. The RACQ helicopter paid a visit to our school oval, which was an exciting event to watch. The Playgroup attendees were able to safely watch this huge machine arrive from the bank area beside the oval. A lot of “Wow’s” and “Oohs” were exclaimed from this mini crowd. Due to the helicopter’s arrival, our planned Sports Day was interrupted. We had a practice session of running races and the traditional egg and spoon race, ready for competition.

Our second week of Sports Day was interrupted as we were excited to dress up for BOOK WEEK. The children were able to have their own mini stage to strut their costumes in front of loads of proud carers. Afterwards, we were able to have our running races with all the attendees receiving a certificate for their Sports Day and Llama book for their BOOK WEEK efforts.
