## PLAYGROUP

### Handwashing

Each week, KSS Playgroup has a theme that helps them to practise a skill to get ready for school. This week was practising handwashing with a edited edition of the nurse rhyme “Twinkle, Twinkle, Little Star.” The rhyme is included here, if you wish to practise with your little ones reminding them to wash their hands for length of the song. Our special visitor was Mrs Owen and she thrilled us with her paper plane abilities. We were able to fly the planes in a race, through hoops and generally around the Sports Hall, watching how clever our folding held up. Thank you Mrs Owen for this enjoyable activity.

*Twinkle, twinkle little star.*

*Look how clean my two hands are.*

*Around my wrists and between my thumbs,*

*Lace my fingers, I'm almost done.*

*Twinkle, twinkle little star.*

*Look how clean my two hands are!*

### Opening and Closing Containers

Our KSS Playgroup session this morning felt very quick. We welcomed a new family who has enrolled in Prep for 2023 and they are excited to learn about their big school. Our theme this week was opening and closing containers just like a lunchbox at school. There were a variety of containers the children needed to open, unzip or unlatch to discover a small oshie hiding inside. This was an activity that generated a lot of excitement. Another craft item we completed today was building our own lunchboxes. We used paper and magazines to find pictures, then the children glued their ideas onto a cardboard lunchbox.
