

Welcome to Kurwongbah

Welcome to the Kurwongbah Family! We are excited to have your family join our school community. Our school prides itself on the natural surroundings, friendly staff and students, and inclusive community. We know you are going to fit right in.

About our P&C

The Kurwongbah Primary P&C is a group of parents, teachers, school staff and local residents who have an interest in improving the school experience for the students and parents of Kurwongbah.

We believe every child should have every chance to participate in and excel at school; with adequate resources, engaging surroundings, and opportunities to socialise with each other outside of school hours.

Become a Member now

P&C Meetings

Staff Room at 6:30pm
2nd Wednesday each month
during term time.

Unlike the stereotype given to P&C's, here at Kurwongbah we believe everyone's vote counts. All members have the opportunity to raise issues of concern, put forward suggestions for improvement, and vote on motions and where the money is spent.

Kurwongbah Primary P&C

Making a difference!

Fundraising

We have an engaged and welcoming team of parents who form the Fundraising Sub Committee at Kurwongbah. Together they plan the events and activities that raise money to support the goals of the P&C. These include Discos, Movie Nights, Raffles, BBQ's, Pie Drives, Cookie Dough Drives and Trivia Nights.

Members learn skills in event planning, decoration, budget management, cash handling and team work. It's also a lot of fun and very rewarding.

● **Fete**

The Kurwongbah Family Fete is famous for its community vibe, traditional style and a family friendly day out.

Entirely run by volunteers, this event is held once every two years, and is a major fundraiser and contributor to facility upgrades at the School.

The funds from recent Fetes have:

- Airconditioned the School Hall
- Built the Community Garden
- Installed Values Green
- Improved Adventure Playground

● **Craft Group**

The Craft Group are responsible for the planning and hosting of the Mother's Day, Fathers Day and Christmas Craft Stalls. They meet regularly at school to enjoy some crafting and social connection. Start by joining the KSS Craft Group on facebook.

● **School Events**

Throughout the year, the P&C supports school fundraising events such as Book Fair and Music Nights by sourcing and scheduling volunteers. To help at these events, please look out for posts on the P&C Facebook page and in the School Newsletter closer to the event.

Our Businesses

● **Tuckshop**

The P&C Tuckshop provides a range of meals and snacks in line with the Smart Choices program.

Orders can be placed online via the 'Qkr!' (quicker) App, or over the counter using the bag system. Payment can be made by cash or Eftpos.

We are open for orders on Monday (1st break only), and Wed-Fri (both breaks).

● **Uniform Shop**

The Uniform Shop provides an extension range of Kurwongbah Uniforms and accessories.

Uniforms can be tried on and purchased in store, or if you know what you need, they can be ordered via the 'Qkr!' (quicker) App and delivered to your child's classroom.

Download 'Qkr! by Mastercard' from your Apple App Store or Google Play store today.

Alternatively you can login and order via the website qkr-store.qkrschool.com
