

Kurwongbah Kids PLAYGROUP

Week 2 - Summer

Our Kurwongbah Playgroup held together today under some extreme heat. We were able to access the Prep Playground for a short play before venturing back up for our indoor activities under a large fan in the Sports Hall.

We completed the theme of Summer this morning. Our activities included creating yellow Suns and collaging ice creams. Our shared story today was "Vanilla Ice Cream" by Bob Graham. This story certainly helped to keep the temperature down in the Sports Hall. Our Playgroup is growing

and we welcomed three new families into our community. If you would like to join us you can email the school - playgroup@kurwongbahss.eq.edu.au

Week 3 – Hot days

Today was a planned wet day with the theme of Hot days. The Prep Playground was used as our grassy area to get wet. There were water troughs to measure or "catch" creatures in our nets. The bubble blowers were a huge hit because the children could make long bubble snakes with the equipment. A sprinkler created some lovely puddles for little feet to jump into. Lastly, there was an opportunity for the learners to drop coloured water onto frozen ice blocks (the size of a 2L ice cream container) and watch the colours slip and slide. It was a fun day and we had a super time listening to our story and eating our morning tea down in the Prep eating area.
