Hi! My name is Noah. I am in Year 5A. This year I am taking part in Shave for a Cure as part of the Leukaemia Foundation's World's Greatest Shave. This a fundraising activity to support people who are battling blood cancer.

I want to raise awareness of this disease and help the people and their families who are impacted. I will be shaving off my hair and donating it to make a wig. I have included a 'before' photo above. My goal is to raise $1000 to donate to blood research for Australia's hidden cancer crisis, blood cancer.

How can you help?

There is a link below where you can donate. I would love your help to raise as much money as I can for this important cause.
