

Kurwongbah Kids PLAYGROUP

Week 2 - Spring

Our Kurwongbah Playgroup is growing again. This morning we had more children in term 1, than ever. Three families joined us with children who are aged from 4 and below. The theme this week, was Spring. There were Cherry Blossoms trees to create a Sprig of Spring to practise threading skills. The children were engaged in using our new brightly coloured play equipment and lots of interactions were overheard in home corner. Our story this week was “With Nan” written by Tania Cox and Karen Blair. This story is about

looking at our environment and noticing different things. An example from the book was a leaf that flew – it was a really a butterfly. Keep your eyes opened when you are moving in the outdoors!

Week 3 – Wet days

Today we did experience a wet day, then a sunny day and then a cloud day. We were unable to play on Prep Playground due to the rainy weather. It gave the Playgroup more time to enjoy the activities in the Sports Hall. Our craft included making threaded Rainclouds, Umbrella art and drawing on a large paper roll to create our Rainy-Day Mural. There was an opportunity to jump in make-believe puddles and serve a warm meal in our, always popular, home corner. The weather did fine up as we read our story by Stephen Michael King titled, “Snail and Turtle – Rainy Days.” It is great story about a Turtle who looked out for his friend Snail by protecting him from the rain.
