

# Kurwongbah Kids PLAYGROUP

## Week 2 – Autumn – Library Visit

Our Kurwongbah Playgroup is growing again. This morning we had lots of new families join us for our Autumn themed morning and a visit to the library. The weather allowed us to enjoy the Prep Playground, before we ventured across our school to meet our librarian, Mrs Turner.

We were lucky enough to borrow a book to enjoy, complete some puzzles and craft items in one of the back rooms. Our craft items this week were making an Autumn themed mobile, leaf lantern and leaves with eyes. The little learners had a feast of toys, blocks and larger puzzles to try out before our story, “There was an old lady who swallowed a leaf.” Thank you, Mrs Turner for our visit to the library today.

## Week 3 – Windy Days

We completed our normal routine of meeting near the Sports Hall, but the weather stopped our outdoor play. The Playgroup spent the morning completing Windy Day activities in the Hall with lots of movement resources as our physical activity. Our craft items included painting hair on our windy day faces, soap box kites and fluffy clouds that drift off in the sky. Our parents were entertained with the musical instruments and a spontaneous singing session amongst the youngsters. We welcomed 3 new families this week and there were a lot of opportunities for parents to interact with each other. Our weekly story was “*Ollie and the Wind*” by Ronojoy Ghosh, which was a playful story about how a little boy worked out how to play with the wind.
